Creato per abbinarsi alla versione in gres porcellanato, Fattoamano Wall è un rivestimento in monocottura che spicca per le geometrie del decoro Paint, cromaticamente armoniche ai quattro fondi della collezione in gres porcellanato. Si aggiunge un muretto con struttura a rilievo in due varianti colore.

Created to match the porcelain stoneware version, Fattoamano Wall is a single-fired wall tile that stands out for the geometries of the Paint decoration, chromatically harmonious with the four bases of the porcelain stoneware collection. A wall with a relief structure in two colours variants is added.

Créé pour se coordonner à la version en grès cérame, Fattoamano Wall est une faïence en monocuisson qui se démarque par les géométries de le décor Paint, en harmonie chromatique avec les quatre bases de la collection de grès cérame. Un décor alternatif est le muretto avec une structure en relief dans deux variations de couleur.
